

OHIO VALLEY RAILCARS EXCURSION ANNOUNCEMENT:

East Ohio Mentoring Excursion

April 27, 2024

In response to the significant membership growth in Area 3 the Ohio Valley Railcars will host a Mentoring Event on Saturday April 27 on the Akron Barberton Cluster Railway (ex- Erie Railroad) in Ravenna, Ohio 44266.

This event is intended to be for those members requiring mentoring. We will use the Mentoring procedure newly revised in February 2024.

The day will begin with an indoor classroom session of an hour or so to review Risks, Safety Procedures, Rules, etc. with the OVR team. After this we will go to the set-on location for Car Inspections, the Set-on, and a Safety Meeting. Then after a successful set-on the Mentorees and their Mentors will travel from Ravenna to Kent, Ohio where the excursion will have a break, turn the cars, and return. If time permits, a second trip might be available before set-off.

All NARCOA and OVR rules apply. No Hyrails. Car type, number of seats, and passenger counts must be indicated on the form below.

Registration may be done by USPS mail or via email, or by phone call. Your paperwork will come to you via email. Please let me know if you can receive emails.

Do not contact the railroad with your questions. Instead, contact:

Brian Davis, Excursion Coordinator (330) 554-4480

There is a \$40 fee for this event. Make checks payable to Ohio Valley Railcars, and return this registration form to:
