

OHIO VALLEY RAILCARS RIDE EVENT

NATIONAL TRAIN DAY TOLEDO 2025

MAY 9 – 10, 2025

Ohio Valley Railcars will be doing short rides for the public at the Amtrak Station located in the former Toledo Central Union Terminal now called the Martin Luther King Jr Plaza on Emerald Avenue in downtown Toledo Friday evening May 9 and during the day on Saturday, May 10. This will be our 13th participation with the Toledo event.

We will be operating on 2 short stub tracks. On Friday evening we run for approximately 2 hours from 630 to 830. On Saturday we operate from about 930 to 330 with about a 30 minute break for lunch. We can use 2 or 3 speeders Friday night mostly for exhibitors who are setting up inside the Terminal. Saturday we can use 6 to a maximum of 10 speeders. We can always use extra help operating the waiver signing table and other details. Registration fee \$20. More details will come e-mail with confirmation letter.

All NARCOA and OVR rules apply. No mentoring on this event but if you are new to the hobby, please feel free to attend (no fee) and meet some of the group. Please do not contact the MLK Jr Plaza, Amtrak or the Train Day Committee. Instead contact Phil Linne, EC. E-mail phil4grr@aol.com or text 740-294-7328. Ben Cattrell, EC in training, will be assisting.

Return this form with your check for \$20.00 payable to Ohio Valley Railcars to:

Phil Linne, 115 West Russell Ave, West Lafayette, OH 43845
